

CP3405 - PRACTICAL 5

Objectives

1. Work on your pilot study – with mentoring / advice from your class supervisor
2. Submit your Practical 4 reflection for feedback and start Practical 5 reflection

Marking Rubric

Practical Exercises	3 marks All exercises are complete, and the work is outstanding.	2 marks All exercises are complete, but the work isn't outstanding.	1 mark The exercises were attempted, but not as expected.	0 marks No exercises were not attempted.
Reflective Journal	3 marks Contributions about experiences from the previous week are substantial and outstanding.	2 marks Contributions about experiences from the previous week are substantial but not outstanding.	1 mark Contributions about experiences from the previous week are less than expected.	0 marks No contributions about experiences from the previous week were made.

Task 1 – Work on your pilot study – 1hr

1. Complete Assessment Task 1 based on its specification
2. Make sure your team charter is finalised

Task 2 – Reflective journal – 1hr

Discuss your reflection from last week with your class supervisor. They will mark your work and offer immediate feedback useful to completing the next reflection task.

While you are waiting, you can pick an experience you had in the last week and start preparing to reflect on it over this week.
