

# CP3405 - PRACTICAL 4

## Objectives

1. Work on your pilot study – with mentoring / advice from your class supervisor
2. Submit your Practical 3 reflection for feedback and start Practical 4 reflection

## Marking Rubric

|                            |   |   |   |  |
|----------------------------|---|---|---|--|
| <b>Practical Exercises</b> | <b>3 marks</b><br>All exercises are complete, and the work is outstanding.                                | <b>2 marks</b><br>All exercises are complete, but the work isn't outstanding.                                 | <b>1 mark</b><br>The exercises were attempted, but not as expected.                             | <b>0 marks</b><br>No exercises were not attempted.                                     |
| <b>Reflective Journal</b>  | <b>3 marks</b><br>Contributions about experiences from the previous week are substantial and outstanding. | <b>2 marks</b><br>Contributions about experiences from the previous week are substantial but not outstanding. | <b>1 mark</b><br>Contributions about experiences from the previous week are less than expected. | <b>0 marks</b><br>No contributions about experiences from the previous week were made. |

## Task 1 – Work on your pilot study – 1hr

1. Review the Assessment Task specification
2. Make sure your team charter is finalised
3. Work with your team towards your pilot study

## Task 2 – Reflective journal – 1hr

Discuss your reflection from last week with your class supervisor. They will mark your work and offer immediate feedback useful to completing the next reflection task.

While you are waiting, you can pick an experience you had in the last week and start preparing to reflect on it over this week.
